

Quality Policy

The business of J.S.T. (U.K.) Ltd. is to supply its customers with advanced electrical and electronic connector systems and associated services.

To support our business objectives we will adopt the ISO/TS 16949:2002 Quality Management System.

Statutory and Regulatory requirements will be strictly adhered too

The culture of our company will be one of continual improvement in all areas of our business.

Achieving customer satisfaction will be key to our continuing success and future development.

We will work together in partnership with our customers and suppliers to ensure that individual requirements are clearly understood.

Feedback from customers and suppliers will be taken into consideration for the future development and enhancement of our products and services.

Targets for improvement will be set by the management team and reviewed periodically

Signed

Mr.T.J.Boughtwood

For and on behalf of J.S.T. (U.K.)Ltd.
